
MILEAGE CLAIM APP

App Overview

Track & record your trip data

- Start & end time
- Start & end location
- Trip distance
- *Electronic Road Pricing/ERP charges (Singapore roads)*
- Parking charges
- Project name related to trip

Set up claim policy

- Claim rate of e.g. \$1.00 per km
- Deduct home-to-office distance if departing from home

Set up tracking mode

- Distance tracking by GPS (auto)
- Distance tracking by map (semi-auto) - app computes distance between 2 given points
- Distance tracking by odometer (manual)

Generate report

- Mileage claim report for each driver for claim processing

Note: *App functions and user interfaces are subject to change due to ongoing development & updates.*
